Our Little Explorers Nature Preschool is South Dakota's first fully outdoor education program based on Montessori principles that children learn best when they are given the freedom to move, to choose their own work, and follow their interests, operating within boundaries that include respect for themselves, others, and the environment.

Little Explorers Nature Preschool students learn from their environment through guided adventure and build skills with independent hands-on learning. Using Montessori methods, our teachers, with the help of local community guides, develop students' exploration skills and their understanding of STEM concepts.

Session 2 is for students ages 4-5 and runs July 7-31, every Monday-Thursday from 8:00am to 12:00pm. Dropoff occurs within 15 minutes prior class and pickup within 15 minutes after the end of class.

Parents or guardians are responsible for dressing their student in appropriate clothing for being outside, including close-toed shoes, and applying their student's first round of sunscreen. Session 1a students and their caretaker/s are expected to attend the Little Explorers Welcome on Tuesday, June 24, 2025, from 5:30-6:30pm.

Payment plans available, please send inquiries to info@sd-discovery.org.
