

Calendar of Events

- May 4, 2024 **Itty Bitty Einsteins: Digging Around!**
South Dakota Discovery Center
805 W Sioux Ave
Pierre, So 57501
10:30 AM - 11:30 AM CST
Jan Martin, 6052248295
janmartin@sd-discovery.org
Wriggling in the soil are earthworms and other living creatures. We will go on a soil safari to find what is living in the soil at the Discovery Center. Worm races anyone?
- May 10, 2024 **Black Hole Week Celebration**
South Dakota Discovery Center
805 W Sioux Ave
Pierre, So 57501
01:00 PM - 05:00 PM CST
Allison Graviett-Pfaff, 605-224-8295
allisongraviettpfaff@sd-discovery.org
Join us for the celebration of Black Hole Week and enjoy a free showing of Dark Matter Mystery movie on our Planetarium
- May 11, 2024 **Starry Saturdays**
South Dakota Discovery Center
800 W Dakota Ave
Pierre, SD 57501
11:00 AM - 01:00 PM CST
Kris Heinen, (605) 224-8295
kristineheinen@sd-discovery.org
On the 2nd Saturday of every month, enjoy a variety of presentations from Greek or Lakota constellations, the moon, deep space objects, and more! Topic and presenter vary.
- May 16, 2024 **International Day of Light**
South Dakota Discovery Center
805 W Sioux Ave
Pierre, So 57501
01:00 PM - 05:00 PM CST
Allison Graviett-Pfaff, 6052248295
allisongraviettpfaff@sd-discovery.org
We will be exploring the Hidden No More exhibit and using VR Headsets to discover how we know what we know about light, colors, and reflections!
- May 18, 2024 **International Museum Day**
10:00 AM - 05:00 PM CST
Come visit the Discovery Center for International Museum Day!

May 26, 2024

National Paper Airplane Day
South Dakota Discovery Center
805 W Sioux Ave
Pierre, SD 57501

01:00 PM - 05:00 PM CST

Allison Graviett-Pfaff, 6052248295

allisongraviettpfaff@sd-discovery.org

Along with the materials provided to make your own airplane throughout the day, take part in the Science of Flight program at 2:30-3:30pm!

June 1, 2024

Itty Bitty Einsteins: Bees, Butterflies, and Other Pollinators!
South Dakota Discovery Center
805 W Sioux Ave
Pierre, So 57501

10:30 AM - 11:30 AM CST

Jan Martin, 6052248295

janmartin@sd-discovery.org

Mistress Mary, quite contrary, how does your garden grow? With the help of sun and rain and all our pollinator friends. How do bees and butterflies help flowers, trees, and crops grow? Let's find out.

June 3, 2024
- June 27, 2024

Little Explorers Nature Preschool Session 1a (4-5 year olds)

Pierre Native Plant Arboretum and Nature Area

1200 Block Izaak Walton Road

Pierre, SD 57501

08:00 AM - 12:00 PM CST

Our Little Explorers Nature Preschool is South Dakota's first fully outdoor education program based on Montessori principles that children learn best when they are given the freedom to move, to choose their own work, and follow their interests, operating within boundaries that include respect for themselves, others, and the environment.

Little Explorers Nature Preschool students learn from their environment through guided adventure and build skills with independent hands-on learning. Using Montessori methods, our teachers, with the help of local community guides, develop students' exploration skills and their understanding of STEM concepts.

Session 1A is for students ages 4-5 and runs June 3-27, every Monday-Thursday from 8:00am to 12:00pm. Dropoff occurs within 15 minutes prior class and pickup within 15 minutes after the end of class.

Parents or guardians are responsible for dressing their student in appropriate clothing for being outside, including close-toed shoes, and applying their student's first round of sunscreen. Session 1a students and their caretaker/s are expected to attend the Little Explorers Welcome on Thursday, May 30, 2024, from 5:30-6:30pm at the South Dakota Discovery Center Launchpad, 300 East Capitol Avenue.

Class materials are provided by the South Dakota Discovery Center out of program fees and donations. Shelter from inclement weather is made possible through a partnership with the Izaak Walton League and use of the Pierre Native Plant Arboretum and Nature Area is made possible through a partnership with the City of Pierre. Become a supporter today!

June 3, 2024
- June 6, 2024

Forces of Nature (Sprouts: K-2nd grade)

SDDC Homebase

805 W Sioux Ave

Pierre, SD 57501

08:00 AM - 12:00 PM CST

STEM Discovery Summer Camps for grades K-5

PRICE PACKAGES

SDDC Member: \$79

Partner Organization Member: \$89

NonMember: \$99

Our campers EXPLORE with professional educators that EDUCATE using the hands-on SDDC Learning Pathways curriculum to EMPOWER a confident, curious science identity that prepares young people for the future.

The STEM Discovery Summer Camps provide an experience beyond an at-home Pinterest activity and get campers ready for a possible science career!

PLEASE NOTE:

Campers must check-in and out at the front desk and must be picked up within 15 minutes of the end of camp. A SDDC employee will open doors 15 minutes prior to the start of each camp day and all payments must be made in full prior to the start of camp.

Parents and guardians are responsible for dressing their student in appropriate clothing for being outside, including close-toed shoes, and applying their camper's first round of sunscreen.

If a camp has fewer than 6 campers registered by noon on the Friday before the camp starts, it will be canceled (you will receive notification and a full refund).

Camp materials are provided by the South Dakota Discovery Center out of program fees and donations. Become a supporter today!

Our Teaching Framework: The Learning Pathways

All SD Discovery Center programs deliver fun, hands-on exploration that builds passion for and knowledge of science across generations; students, teachers, families, citizens.

Our teaching framework ensures a high-quality class standard that focuses on lasting effects to help students find their path and hone their talents beyond school while developing college and/or career readiness skills (collaboration, creativity, communication and critical thinking) to grow a STEM workforce for South Dakota.

STEM Discovery Summer Camps utilizes Learning Pathways aligned with our teaching framework that facilitate individual growth of students in different topics and specialty tracks. Classes are available from ages PreK through 8th grade, and real-world applications (such as leadership and volunteer opportunities, internships or citizen science projects) for high schoolers.

Our camps are divided into the following age levels:

Seedlings (PreK)

Sprouts (K-2nd grade)

Shoots (3-5th grade)

Saplings (6-8th grade)

Canopy (9th-12th grade interns & SDDC Educators)

Camps are offered in specialty tracks for every age level with specific camp availability rotating on a three-year cycle, allowing for age-appropriate lessons that build upon each other. Our campers can become experts in a real STEM field by taking a different class within a specialty every year.

Our Learning pathways tracks and specialties are:

EXPLORE: Naturalist, Storytelling, Environment

SCIENCE: Life Science, Physical Science, Space Science

TECH: Engineering, Coding, Entertainment

HEALTH: Fitness, Cooking, Gardening

Badlands: The Power of Water/Mni

Badlands National Park

Start 6/18 @ 4:00PM MT, End 6/21 at 10:00AM MT.

Anne Lewis,

annelewis@sd-discovery.org

Water is a powerful force and its handiwork is evident in the Badlands. Join this three day/three night field based professional development opportunity for Grade 4-12 teachers to explore the Badlands National Park and the power of water. We will braid Indigenous perspectives throughout the experience

2 credits

\$200 Stipend provided upon submission of a reflection

Fee - \$50 for South Dakota educators

A limited number of out of state educators may participate

Highlights

- Camp in Sage Creek for an immersive experience*
- Do field studies, contributing to an ongoing water quality monitoring project*
- Explore the geologic history of the Badlands and how water shaped much of the Badlands*
- And more!*

Meals are provided. A limited amount of gear (sleeping bag, tent, pad) is available for loan. Camping experience not required but a sense of adventure is!

Sponsored, in part, by the 319 Information and Education project with funding from the US EPA Region 8 through the SD Department of Agriculture and Natural Resources.

STEM Discovery Summer Camps for grades K-5

PRICE PACKAGES

SDDC Member: \$79

Partner Organization Member: \$89

NonMember: \$99

Our campers EXPLORE with professional educators that EDUCATE using the hands-on SDDC Learning Pathways curriculum to EMPOWER a confident, curious science identity that prepares young people for the future.

The STEM Discovery Summer Camps provide an experience beyond an at-home Pinterest activity and get campers ready for a possible science career!

PLEASE NOTE:

Campers must check-in and out at the front desk and must be picked up within 15 minutes of the end of camp. A SDDC employee will open doors 15 minutes prior to the start of each camp day and all payments must be made in full prior to the start of camp.

Parents and guardians are responsible for dressing their student in appropriate clothing for being outside, including close-toed shoes, and applying their camper's first round of sunscreen.

If a camp has fewer than 6 campers registered by noon on the Friday before the camp starts, it will be canceled (you will receive notification and a full refund).

Camp materials are provided by the South Dakota Discovery Center out of program fees and donations. Become a supporter today!

Our Teaching Framework: The Learning Pathways

All SD Discovery Center programs deliver fun, hands-on exploration that builds passion for and knowledge of science across generations; students, teachers, families, citizens.

Our teaching framework ensures a high-quality class standard that focuses on lasting effects to help students find their path and hone their talents beyond school while developing college and/or career readiness skills (collaboration, creativity, communication and critical thinking) to grow a STEM workforce for South Dakota.

STEM Discovery Summer Camps utilizes Learning Pathways aligned with our teaching framework that facilitate individual growth of students in different topics and specialty tracks. Classes are available from ages PreK through 8th grade, and real-world applications (such as leadership and volunteer opportunities, internships or citizen science projects) for high schoolers.

Our camps are divided into the following age levels:

Seedlings (PreK)

Sprouts (K-2nd grade)

Shoots (3-5th grade)

Saplings (6-8th grade)

Canopy (9th-12th grade interns & SDDC Educators)

Camps are offered in specialty tracks for every age level with specific camp availability rotating on a three-year cycle, allowing for age-appropriate lessons that build upon each other. Our campers can become experts in a real STEM field by taking a different class within a specialty every year.

Our Learning pathways tracks and specialties are:

EXPLORE: Naturalist, Storytelling, Environment

SCIENCE: Life Science, Physical Science, Space Science

TECH: Engineering, Coding, Entertainment

HEALTH: Fitness, Cooking, Gardening

Little STEAMers Preschool 3-Day Session (4-5 year olds)

SDDC Launchpad

805 W Sioux Ave

Pierre, So 57501

08:00 AM - 12:00 PM CST

Jan Martin, 6052248295

janmartin@sd-discovery.org

Our Little STEAMers Preschool is based on the Montessori principles that children learn best when they are given the freedom to move, to choose their own work, and follow their interests, operating within boundaries that include respect for themselves, others, and their environment. In Little STEAMers Preschool students learn through guided exploration and build skills with independent hands-on learning. Using Montessori methods, our teachers progress students' exploration skills and use a complete preschool curriculum to develop students' understanding of STEM concepts (science, technology, engineering, and mathematics) and communication (language arts & literacy).

The 3-Day Session is for students ages 4-5 and runs September 9 to December 18, every Monday-Wednesday from 8:00am to 12:00pm at the SDDC Launchpad, 300 E. Capitol Ave. Dropoff occurs within 15 minutes prior class and pickup within 15 minutes after the end of class at the back entrance. Students MUST be potty trained prior to the start of class.

The cost is \$1,064.25 per semester for South Dakota Discovery Center Members—payments can be made monthly or all at once. Please email info@sd-discovery.org to learn about our scholarship and discount programs.

Parents or guardians are responsible for dressing their student/s in appropriate clothing. Our 3-Day Session students and their guardian/s are expected to attend the Little STEAMers Welcome on Thursday, September 5, 2024, from 5:30-6:30pm at the South Dakota Discovery Center Launchpad, 300 East Capitol Avenue.

Class materials are provided by the South Dakota Discovery Center out of program fees and donations. Become a supporter today!

Little STEAMers Preschool 3-Day Session (4-5 year olds)

SDDC Launchpad

805 W Sioux Ave

Pierre, So 57501

08:00 AM - 12:00 PM CST

Jan Martin, 6052248295

janmartin@sd-discovery.org

Our Little STEAMers Preschool is based on the Montessori principles that children learn best when they are given the freedom to move, to choose their own work, and follow their interests, operating within boundaries that include respect for themselves, others, and their environment. In Little STEAMers Preschool students learn through guided exploration and build skills with independent hands-on learning. Using Montessori methods, our teachers progress students' exploration skills and use a complete preschool curriculum to develop students' understanding of STEM concepts (science, technology, engineering, and mathematics) and communication (language arts & literacy).

The 3-Day Session is for students ages 4-5 and runs September 9 to December 18, every Monday-Wednesday from 8:00am to 12:00pm at the SDDC Launchpad, 300 E. Capitol Ave. Dropoff occurs within 15 minutes prior class and pickup within 15 minutes after the end of class at the back entrance. Students MUST be potty trained prior to the start of class.

The cost is \$1,064.25 per semester for South Dakota Discovery Center Members—payments can be made monthly or all at once. Please email info@sd-discovery.org to learn about our scholarship and discount programs.

Parents or guardians are responsible for dressing their student/s in appropriate clothing. Our 3-Day Session students and their guardian/s are expected to attend the Little STEAMers Welcome on Thursday, September 5, 2024, from 5:30-6:30pm at the South Dakota Discovery Center Launchpad, 300 East Capitol Avenue.

In Little STEAMers Preschool students learn through guided exploration and build skills with independent hands-on learning. Using Montessori methods, our teachers progress students' exploration skills and use a complete preschool curriculum to develop students' understanding of STEM concepts (science, technology, engineering, and mathematics) and communication (language arts & literacy).

The 2-Day Session is for students ages 3-4 and runs September 12 to December 20, every Thursday and Friday from 8:00am to 12:00pm at the SDDC Launchpad, 300 E. Capitol Ave. Dropoff occurs within 15 minutes prior class and pickup within 15 minutes after the end of class at the back entrance. Students MUST be potty trained prior to the start of class.

The cost is \$693 per semester for South Dakota Discovery Center Members—payments can be made monthly or all at once. Please email info@sd-discovery.org to learn about our scholarship and discount programs.

Parents or guardians are responsible for dressing their student/s in appropriate clothing. Our 2-Day Session students and their guardian/s are expected to attend the Little STEAMers Welcome on Thursday, September 5, 2024, from 5:30-6:30pm at the South Dakota Discovery Center Launchpad, 300 East Capitol Avenue. Class materials are provided by the South Dakota Discovery Center out of program fees and donations. Become a supporter today!

In Little STEAMers Preschool students learn through guided exploration and build skills with independent hands-on learning. Using Montessori methods, our teachers progress students' exploration skills and use a complete preschool curriculum to develop students' understanding of STEM concepts (science, technology, engineering, and mathematics) and communication (language arts & literacy).

The 2-Day Session is for students ages 3-4 and runs September 12 to December 20, every Thursday and Friday from 8:00am to 12:00pm at the SDDC Launchpad, 300 E. Capitol Ave. Dropoff occurs within 15 minutes prior class and pickup within 15 minutes after the end of class at the back entrance. Students MUST be potty trained prior to the start of class.

The cost is \$693 per semester for South Dakota Discovery Center Members—payments can be made monthly or all at once. Please email info@sd-discovery.org to learn about our scholarship and discount programs.

Parents or guardians are responsible for dressing their student/s in appropriate clothing. Our 2-Day Session students and their guardian/s are expected to attend the Little STEAMers Welcome on Thursday, September 5, 2024, from 5:30-6:30pm at the South Dakota Discovery Center Launchpad, 300 East Capitol Avenue. Class materials are provided by the South Dakota Discovery Center out of program fees and donations. Become a supporter today!
